**\$\$ SCRAPER \$\$**

We are currently scraping our ice with an ICE KING scraper that was donated to the club (approx 6 years ago) by Union College. This machine is at least 35 years old and has many problems. It is extremely inefficient and some of the moves we must make with it are unsafe at best.....that's the bad news.

Now for the good news ...An anonymous club member has made the following challenge to the membership. They will contribute \$2,500 toward the purchase of a new machine (approx \$7,000) if we can raise the balance required. If you are interested in this project please see Jim Ridenour who will collect the funds (if offered) and report to us on any progress.

**CLUB LIASON – MEN'S WORLD CHAMPIONSHIP**

Chrissy Fink-Hasse is the SCC's club liaison for the Men's World Championships. She is already selling LOWLA pins (see the poster on our bulletin board).

Chrissy will do a fine job keeping us informed about volunteering opportunities, tickets, etc. Any issues related to the World's in Lowell Mass this spring....see Chrissy

## ***ATTENTION ALL CHAIRPERSONS of LEAGUES & BONSPIELS***

When your event is completed, ***please*** submit an electronic report (CD preferred) to the board. This will replace the old “Event Books”. The need for this information became very apparent to many of us who were trying to track down last year’s winners for the directory. Our memory gets very fuzzy very quickly.

## ***ACHILLES -- SCHENECTADY WINS!!***

It was Nov 1990...that’s the last time Schenectady won the Achilles medal. It was particularly fitting that when it was won again in 2005 it was won by  $\frac{3}{4}$  of the team that had won this event in 1990 and the Skip (Bob Mulig) had traveled from Florida to participate in his “baby”. Although he was “carried” by the likes of Jack Fitzgerald, Dave Spencer, and Pete Sheehan, the old guy played well enough to win it again!! It was an all Schenectady final for the Achilles Medal. The runner-ups were Dean Wadland, Jack Stopera Jr., Billy Stopera and Jim Sinkins.
